Huawei is here and ready to take over with the P20 range. The P20 Lite is one of the best value-for-money, mid-range devices on the market, while the higher range P20 and P20 Pro offer out-of-this-world photography, processing power, and artificial intelligence capabilities.

If you're looking for a different way to connect, we have a range of Android options with Samsung, LG, Nokia, Sony, and Hisense smartphones and devices. Or, follow your own path and upgrade to the Apple lifestyle with the iPhone 8 and 8 Plus.

Make sure you're connected on a plan that works for you and your needs. Build your own contract with MTN Made For Me, be more flexible with your airtime on My MTNChoice Flexi deals, connect without limits with My MTN Sky plans, connect your entire household with MTN Made For Home, or get your device without restraints with MTN PayAsYouGo.

We also offer business solutions, such as MTN Made For Business, one of many plans made exclusively for your business. Plus, incredible offers on devices, such as tablets, laptops, modems, and routers, as well as all the accessories you need to get the most out of your device.

So check out this month's ***y'ello*** Trader, and find a deal that you love. If you're overwhelmed, take a look at our top 10 deals for the month, or get a free device with our two-for-one deals.
