Self-service. Stay connected. Be a Bozza.

Get your Home Wi-Fi up and running in just a few simple steps.

How to set up your router:

1. Choose a spot for your router. We suggest next to a window for the best quality signal.
2. Insert the SIM into the router.
3. Power on the router. The mode light will turn blue when you're connected.

Staying connected is simple:

- Download the MTN app.
- Connect to the MTN router Wi-Fi that you want to log in with.
- Open the MTN app.
- Enter your MyMTN Home number/MSISDN.
- You will now be able to see your data balance, along with a bill for your number.

How to top up on the MTN app:

- Select 'Data' to view the bundles on your profile.
- Select 'Buy a bundle'.
- Choose a bundle.
- Pay via your MTN account, with your bank card or use recharged airtime.

MTN Sky: Available from 01/07/2019 until discontinued by MTN to all MTN customers who sign up, migrate or upgrade to the new MTN Sky price plans. Subject to successful credit vetting. The inclusive monthly value includes: Anytime and Night Express Data, local unlimited calls, and SMSs only. *MTN Fair Use Policy (FUP) will be applicable to unlimited local data (100GB FUP), unlimited MTN-to-MTN calls and up to 10 000 minutes per month to other local network calls and unlimited local SMSs (400 per day). Standard rates will apply once inclusive value is depleted. Unused inclusive value will carry over for a 2-month cycle. To manage monthly spend, subscribers must activate a subscriber usage limit (SUL) and can now set their own bill limit using the MTN app. Once inclusive value is depleted, customers can load/recharge with airtime or bundles. **MTN Sky and MTN Sky VIP Promotion:** Available until 31/07/2021. Free promotional value available on 6, 12, 24 and 36-month terms only. MTN Sky Black is excluded as this price plan offers unlimited data. Unused value will not carry over. The free value is valid for 100 days. Data share of free value is not allowed. **5G Smartphones and Integrated Plans:** Available from 01/07/2021 until MTN in its sole and absolute discretion elects to discontinue the service. Available to post-paid customers who sign up or upgrade on 5G-enabled devices and selected qualifying price plans: MTN MEGA TALK, MTN MEGA GIGS and MTN Sky. 5G network speeds are not guaranteed and based on best effort. The 5G network coverage is limited and the MTN coverage map can be found on mtn.co.za to check for 5G coverage. The MTN network will seamlessly connect to 5G network once qualifying price plan, 5G-enabled device and 5G coverage area are identified. If the customer is not in a 5G coverage area, it will seamlessly drop to best quality network available (i.e. 4G/3G/2G). MTN Subscriber Contract Terms and Conditions apply. For full Terms and Conditions on all products and promotions, see pg. 51 or visit mtn.co.za. E&OE.

Enjoy SA's Bozza network with a SIM-only deal

Choosing the right contract has never been easier

Choose from:

Open plan
With an open plan, you can enjoy a simple and convenient way whereby additional purchases and usage can be added to your bill, up to your bill limit. No need to recharge; simply add your charges to your bill and settle as part of your monthly payment. Managing your limit is easy; simply download the MTN app, go to 'account', select limits and adjust the value in line with your monthly budget.

MTN TopUp
MTN TopUp plans give you total control with a combination of MTN PayAsYouGo and a contract. If you use all of your monthly contract value, you can easily purchase airtime and data bundles to suit your needs.

5G Smartphones and Integrated Plans: Available from 01/07/2021 until MTN in its sole and absolute discretion elects to discontinue the service. Available to post-paid customers who sign up or upgrade on 5G-enabled devices and selected qualifying price plans: MTN MEGA TALK, MTN MEGA GIGS and MTN Sky. 5G network speeds are not guaranteed and based on best effort. The 5G network coverage is limited and the MTN coverage map can be found on mtn.co.za to check for 5G coverage. The MTN network will seamlessly connect to 5G network once qualifying price plan, 5G-enabled device and 5G coverage area are identified. If the customer is not in a 5G coverage area, it will seamlessly drop to best quality network available (i.e. 4G/3G/2G). MTN Subscriber Contract Terms and Conditions apply. **Apple Music Promotion:** Available until 30/09/2021. Customers who subscribe will get the first 6 months of their Apple Music subscription free, valued at R59,99 p/m. Visit music.mtn.co.za to sign up. **MTN 20GB Promotion:** Valid until 31/07/2021. New customers who sign up or upgrade to specified price plans will receive 20GB, valid for 30 days, once-off.
